### **CLOSING SCHOOL DURING EMERGENCIES**

Often member schools will be closed due to the weather conditions. If your school is closed, you will not be counted absent for that day. R. G. Drage CTC will operate each day classes are scheduled. If it becomes necessary to close R. G. Drage CTC, our primary sources for communicating information to you will be:

**RADIO: 1480 WHBC A.M., 94.1 WHBC F.M, and 100.1 WNIR.**

**TELEVISION STATIONS: WKYC-TV Channel 3, WEWS-TV Channel 5, WJW-TV Channel 8.**

School closing information is also posted on the **SCHOOL WEB SITE**, as well as the web sites of the above listed radio/TV stations and the Canton Repository.

### **ANNOUNCEMENTS**

Announcements will either be emailed to instructors to read to students, read during the morning announcements, presented on the message gram in the dining commons, or placed on the dining commons bulletin boards. Persons having announcements to be read or posted must submit them to the front office for approval by an administrator.

### **CARE OF SCHOOL PROPERTY**

We are proud of R. G. Drage CTC and hope that you will share our pride. The appearance and maintenance of our school depends largely upon the student body. We are depending on you to do your part to help us have workable equipment and attractive facilities. Since care of equipment and facilities is a cooperative task, the following guidelines apply: 1) Any damage to the building must be reported to a staff member immediately; 2) Persons who are caught marking, painting or otherwise defacing furniture or other school property will face disciplinary action; 3) Stay clear of areas to which you have not been assigned; 4) Try to avoid damage which results from accidents and carelessness. R. G. Drage CTC pride is strongly reflected in the manner to which it is kept. Please do your part to keep our school in excellent condition.

### **HOME SCHOOL ACTIVITIES**

Students enrolled at R. G. Drage CTC are members of their respective classes at their home school and are eligible to participate in extracurricular activities after R. G. Drage CTC school hours. R. G. Drage CTC students will be permitted to return to the home school for assemblies as determined by the Home School Principal in coordination with the Director or his/her designee.

### **LOCKERS**

**Each student has the responsibility of keeping his/her personal possessions in a safe and secure place. Lockers are provided for this purpose.** Each student will be assigned a locker located as close to his/her career tech laboratory or shop area. **Lockers and other such property carry no expectation of privacy for the students who occupy them. This includes any property placed inside of them.** The locker assignment will be made by the instructor. For your protection, you should keep your locker secured with the lock provided by the school. **Both lock and locker are the property of the school and are subject to inspection by school authorities at any time. The use of specially trained dogs may be used in the assistance of searches of lockers and other such property.**

### **LOST AND FOUND**

It is inevitable that some articles may be lost or misplaced. Each student should do his/her part to see that all lost items are returned to the rightful owner. A lost and found department will be maintained in the front office. If you find an item, it should be turned into the lost and found.

### **LUNCH PERIOD**

Each student will have a lunch period. All students are to report to the cafeteria, whether eating a school lunch or sack lunch, and are not permitted to be in the parking lots or to leave the school grounds. Students shall display acceptable table manners at all times in the cafeteria. We ask that you keep the tables and floor clean of food and paper. When using the cafeteria, you are expected to return your tray, silverware, and throw away your trash before leaving. Cafeteria food or drink items are to be consumed in the cafeteria area **ONLY**. Students who misbehave in the cafeteria are subject to disciplinary action that may include denial of cafeteria setting. Menu pricing can be found on the school's website. The center operates a free/reduced lunch program on the basis of your family's financial situation; applications are available in the central office.

### OPEN CONTAINERS

No open containers of liquid are to be brought into the school or carried with students throughout the school day unless a medical excuse has been obtained.

### SCHOOL TELEPHONE

Telephone messages, generally, will not be relayed to students during the school day unless of an emergency. Emergency messages received by the center will be relayed to the student by a member of our office staff. Students normally will not be called from class unless the situation warrants such action and will be done only with permission of the student's family. **Parents are asked to assist the center by not texting or calling students' cell phones during the school day.**

### STUDENT INSURANCE

School insurance may be obtained through your home schools. We strongly urge all students attending R. G. Drage CTC to take out at least the minimum amount of school insurance unless they are adequately covered by their family insurance.

### SCHOOL NURSE/CLINIC

The clinic, staffed by a nurse, is equipped to provide for emergency treatment of injury or illness which may occur during the school day. If a student requests, or the nurse determines, that additional medical attention or a return home is necessary, **THE NURSE WILL CONTACT THE APPROPRIATE FACILITY AND/OR PEOPLE INCLUDING PARENTS/GUARDIANS.** The school nurse maintains a health folder for each student containing information concerning the student's health record, a list of any medications which a student might be using as well as other important health related data. This record is confidential and does not in any way become part of the student's permanent school record.

**Guidelines for using the clinic (emergencies accepted):**

1. **STUDENTS ARE NOT TO MAKE ARRANGEMENTS TO GO HOME WHEN NOT FEELNG WELL-THE NURSE WILL MAKE THOSE ARRANGEMENTS WHEN NECESSARY!**
2. A student must obtain a pass from his/her instructor before going to the clinic.
3. Students may not enter the clinic during class changes.
4. Extended time in the clinic will result in absences from class and marked accordingly.
5. **Dispensing Medications:** The Board of Education shall not be responsible for the diagnosis and treatment of student illness. The administration of prescribed medication to a student during school hours will be permitted only when failure to take such medicine would jeopardize the health of the student or the student would not be able to attend school if the medicine were not made available during school hours.
6. **THE FOLLOWING RULES MUST BE ADHERED TO:** 1) The nurse will supervise the dispensation of medications. The drug must be received in the container in which it was dispensed by the pharmacist; 2) A physician's order form must be filled out by the physician for each prescribed medication. These will be kept on file by the nurse; 3) No person employed by the Board of Education will be required to administer a drug to a student except pursuant to requirements established under this policy. 4) Over-the-counter medicines may be taken if brought in sealed container with a note from parent and kept by the nurse in the clinic.

### TECHNOLOGY AGREEMENTS

Each student is required to sign a technology use agreement. The definition(s) and scope of use of technology while at school, on school owned property, or at school sponsored events, is explained in detail in the actual agreement.

## VISITORS

Visitors should enter the building by the main entrance and must register at the main office. All school personnel have the right to exclude all uninvited or unauthorized individuals from the premises. Parents, civic groups, organizations, clubs and business groups are encouraged to visit the center by contacting the central office. Students are asked to not bring guests to school. Any exception to this rule must be approved by the central office **PRIOR** to the guest's arrival. If the visitor is a student of one of the six (6) participating districts, arrangements to visit R. G. Drage CTC will be made with the Guidance Department or Principal of the home school during the orientation periods that have been planned for each home school.

## DRIVING AND PARKING POLICIES AND GUIDELINES

Students are encouraged to ride the buses provided by the home schools. If it is necessary for a student to drive to and from school, a driving permit must be purchased in the attendance office. **THIS IS A PRIVILEGE, NOT A RIGHT.** Only students expecting to drive to school regularly will be issued permits. **Upon arrival at school, students are to go directly into the building and ARE NOT TO REMAIN in their cars.** R. G. Drage CTC reserves the right to inspect any car on school property if the situation warrants such action. R. G. Drage CTC is not responsible for any damage incurred by a student's vehicle while on R. G. Drage CTC property. While driving on school property students need to adhere to the following:

1. The student must register his/her car and secure a driving permit from the central office. Registration is actually a pledge of both the student and the parent to abide by school regulations.
2. The car used by the student must be registered to the student or some member of their family.
3. Proof of a current insurance policy and driver's license must be given.
4. Students are prohibited from driving during the lunch period. Those students driving to school must stay clear of the parking areas until school is dismissed unless the student receives special permission from the central office.
5. Students must park in the assigned areas.
6. The maximum speed limit on the grounds is ten (10) miles per hour.
7. Unique schedule and early placement students must obtain a special sticker for their parking pass.
8. Excessive tardiness/lateness (see tardy policy) or irresponsible driving may result in loss of driving privileges and/or other disciplinary measures. Driving to school is a privilege.

## EMERGENCY DRIVING

If you do not regularly drive to school and it becomes necessary for you to drive due to an emergency, you must register your vehicle in the attendance office and receive a one-day parking pass. A car parked on the grounds illegally may be removed at the owner's expense.

## EXPENSES

Laboratory fees may be charged in some areas to help offset the cost of consumable supplies. If fees are charged in any class, the instructor will inform you what the fee is and how it can be paid. **Fees need to be paid by mid- term of the first grading period or by the arrangements made with the school.** Purchase of a basic tool kit is recommended for some students depending on program area. This may be done anywhere as long as the proper tools are purchased. It is the student's responsibility to purchase uniforms, if necessary, for their program. Lab fees are 100% transferable to another program. If the lab fee is less in another program, student will be reimbursed the difference.

## FIRE, TORNADO, LOCK DOWN DRILLS, and EVACUATION DRILLS

Fire, tornado, lock down, and evacuation drills are held periodically throughout the year.

Remember these basic rules:

1. Check the instructions in each classroom and lab (they are posted) indicating how to exit the building in case of fire and where to go in case of tornado or evacuation drills. Follow teacher directives for lock down drills.
2. Walk. No talking. Move quickly and quietly to designated area.
3. Wait for the "all clear" before re-entering the building.

## GRADUATION AND CAREER TECH CERTIFICATES

Students enrolled at R. G. Drage CTC retain membership in their respective home schools. As R. G. Drage CTC is not chartered by the State of Ohio to award a high school diploma, a student must meet the graduation requirements set by his/her home school.

Students will receive his/her high school diploma from the home school and will receive an Award of Distinction from R. G. Drage CTC if he/she meets the requirements set forth by the local board policy. Passing a career technical course does not necessarily qualify a student for the Award of Distinction. Medical absences do not count against your certificate.

## CREDIT FLEXIBILITY

It shall be the policy of the Board of Education that each student will be promoted to a succeeding course of study when he/she has:

- a. achieved the instructional objectives set for an initial course of study, (in the opinion of the professional staff) and
- b. demonstrated sufficient proficiency to permit him/her to move ahead in his/her educational program

Credit Flex Option forms must be completed and approved by the end of the 1<sup>st</sup> grading period. Credit Flex Option forms are available in the Student Services Office.

## GRADING

While grades are never to be considered the goals of learning, they are the symbols which give evidence of the extent of learning.

### A. GRADE SYMBOLS & POINT VALUE

**A = 4 B = 3 C = 2 D=1 F=0**

### B. GRADING SCALE FOR INDIVIDUAL CLASSES

100-92 – A – outstanding work  
91-83 – B – above average work  
82-74 – C – average work  
73-65 – D – below average work  
64-0 – F – failing work  
I – Incomplete work

### C. DETERMINING THE FINAL GRADE FOR A SEMESTER CLASS

The semester grade is determined by adding the two nine week grades (at 40% each) and the semester exam (at 20%) and dividing by FIVE. This is calculated automatically by the grading software program.

Example: 1<sup>st</sup> nine weeks grade – B (40%)  
2<sup>nd</sup> nine weeks grade – C (40%)  
Exam grade – D (20%)  
 $B+B+C+C+D =$  semester grade  
 $3+3+2+2+1=11$  semester grade  
 $11/5 = 2.2$  – C as semester grade

### D. DETERMINING THE FINAL GRADE FOR A YEAR LONG CLASS

Yearlong class final grades are determined by adding the four nine weeks grades (at 20% each) and each semester exam grade (at 10% each) and dividing by 10. This is calculated automatically by the grading software program.

Example: 1<sup>st</sup> Nine Weeks - B  
2<sup>nd</sup> Nine Weeks - C  
1<sup>st</sup> Sem Exam - B  
3<sup>rd</sup> Nine Weeks - A  
4<sup>th</sup> Nine Weeks – B  
Final Sem Exam - B

$B+B+C+C+B+A+A+B+B+B/ 10$   
 $3+3+2+2+3+4+4+3+3+3 /10$   
 $30/10 = 3 = B$  for the year

**E. GRADING RANGE GUIDELINE FOR REPORT CARD GPA**

A = 3.51- 4.0 = Excellent - work shows outstanding effort  
B = 2.51-3.50= Good - work is high commendable  
C = 1.51-2.50= Average - work is acceptable but limited in quality  
D = .51-1.50= Poor - work is below average and of poor quality  
F = 0 -.50=Failure - work not satisfactory for recognition.

**F. FAILURE**

In a year long course, students must pass 2 of the last 3 grading opportunities to receive credit, regardless of 1<sup>st</sup> semester grades. In a semester course, students must pass 2 of 3 grading opportunities to receive credit. Only certain grade combinations will ensure issuance of credit. Also, any student who refuses to complete the requirements of the course may fail for the year regardless of the previously assigned grades.

**G. INCOMPLETES**

Students who fail to complete a course requirement will be issued an incomplete for that assignment. Incompletes not made up in a reasonable length of time, as specified by the instructor, may be changed to a grade of F.

**H. ADD/DROP POLICY**

Students may drop a class without penalty at the end of the 5 day probationary period. If a request is made at any point after the 5 day probationary period, unless teacher initiated, a grade of “F” will be given for the remainder of the year.

**I. STUDENT PROGRESS**

Report cards are sent to students’ homes at the end of each grading period and are not given to students on an individual basis. Parents/guardians are also given a passcode to view their child’s grades online. An example of what might be seen follows:

**Pinnacle Internet View**

Mar 31	Test/Quiz/Other Assessments	65	100.0	D
Apr 1	Online Assignments/Assessments	Z	20.000	Z
Apr 6	Online Assignments/Assessments	15	20.000	C
Apr 6	Paper Assignments	20	20.000	A
Apr 7	Online Assignments/Assessments	40	40.000	A
Apr 7	Online Assignments/Assessments	--	20.000	--
Apr 7	In-Class Assignments/Participation	20	20.000	A
Apr 12	In-Class Assignments/Participation	X	20.000	X

**X = Exempt from assignment, not to be made-up, not calculated into grade.**  
**Z = Counted as zero points until assignment is made up.**  
**0 = Did assignment but received 0 credit**  
**Blank = Grade not entered yet.**

**STUDENT SERVICES DEPARTMENT**

The school counselor wants your experience at R. G. Drage CTC to be a pleasant, valuable, and rewarding one. Your counselor will strive to work with you to achieve this goal. You can make arrangements to see the counselor by making an appointment with the counselor or with the secretary in the Student Services Office. The Student Services Office is open each school day from 8:00 a.m. until 3:15 p.m.

**JOB/CAREER DEVELOPER**

The Job/Career Developer attempts to maintain contact with area business and industry to enable our students to find employment. The Job/Career Developer and program instructor are often contacted by employers seeking full or part-time workers. Even after a student has graduated, he/she can use the placement services at R. G. Drage CTC.

## EARLY PLACEMENT

The term "early placement" is used to identify the relationship which exists between a public school and the business community to achieve the basic objectives of preparing young people for their careers in business and industry. Early placement, according to state requirements, has two objectives: 1) To provide experience on specialized equipment not available in schools in the student's field of study; and 2) To provide the student with experience for adjustment to business and industry practices. Early placement is a **PRIVILEGE**, not a right. Students earn the privilege of early placement by maintaining certain grades, attendance and attitude standards throughout their junior and senior years. For full details on early placement, see your program teacher and/or Job Developer in the Student Services Office.

**STUDENTS ON EARLY PLACEMENT LOSE THAT PRIVILEGE DURING AN ISS and/or OSS.**

## STUDENT ACTIVITIES

Career technical youth organizations are recognized as an integral part of all career technical programs. Students are urged to play a part in their respective organizations. The various student organizations and group activities are:

- CHARACTER COUNTS
- FCCLA-FAMILY CAREER & COMMUNITY LEADERS OF AMERICA
- FFA
- HOSA-HEALTH OCCUPATION STUDENTS OF AMERICA
- NATIONAL TECHNICAL HONOR SOCIETY
- PROM COMMITTEE
- SKILLS USA
- STAND/SADD
- YEARBOOK COMMITTEE

## ATTENDANCE

Ohio Revised Code 3321.01 states that, "a child between the ages of 6 and 18 years of age is of compulsory school age." Section 3321.04 provides in pertinent part, "every parent, guardian, or other person having charge of any child of compulsory school age who is not employed under an Age and Schooling Certificate and who has not been determined to be incapable of profiting substantially by further instruction, must send such child to school."

### ATTENDANCE TERMINOLOGY

**Excused Absence** – absent from school with the knowledge of a parent or guardian and meets the state requirement for an excused absence. (See #6 below.)

**Unexcused Absence** – absent from school with the knowledge and consent of a parent or guardian, but does not meet the state requirement for an excused absence.

**Excessive Absence** – a student is considered to be excessively absent and not in compliance with the intent of House Bill 410 if he/she accumulates more than 38 or more hours of absence excused or unexcused in one month or 65 or more hours in one school year excused or unexcused.

**Truant** – unauthorized absence without the knowledge or consent of school officials or parents/guardians. House Bill 410 further defines classifications of truancy.

<b>Habitual Truant:</b>	Absent 30 or more consecutive hours unexcused
	Absent 42 or more hours in one month unexcused
	Absent 72 or more hours in a school year unexcused

If a student is habitually truant or excessively absent, a complaint can be filed with the Judge of the Juvenile Court in compliance with state law.

Attendance is vital to success both in school and on the job. Poor attendance will reflect directly upon student grades. Just as an employer will not tolerate poor attendance, neither will R.G. Drage CTC. In order that all career technical students, instructors, and administrative personnel will understand policy and procedures, the following guidelines should be closely studied and followed:

1. Students reporting to school after 8:45 a.m. but before 11:15 a.m. will be counted 1/2 day absent
2. Students reporting to school after 11:15 a.m. will be counted absent the entire day.
3. Students leaving school before 11:15 a.m. will be absent the entire day.
4. Students leaving school after 11:15 a.m. will be counted absent 1/2 day.
5. **Students who have been absent must CALL THE SCHOOL or BRING A NOTE FROM THEIR PARENT/GUARDIAN and present it to the attendance officer within three (3) days of returning to school.** The attendance office secretary will review any questionable excuses or signatures, make phone confirmations, and provide admit slips to students to get back into classes. Falsification of signatures may result in disciplinary action.
6. **An absence may be excused for the following reasons:**
  - A. Personal illness and/or quarantine - written excuse from parent and/or doctor
  - B. Recovery from an illness by immediate family member (father, mother, brother, sister, grandfather, grandmother) - either by confinement in the hospital or at home. Written excuse from doctor is required within three (3) days of returning to school
  - C. Dental appointments - not to exceed three (3) a year. Written excuse from dentist is required within three (3) days of returning to school
  - D. Death in immediate family (father, mother, brother, sister, grandfather, grandmother) - written excuse from parent/guardian
  - E. Subpoena to appear in court as a witness – written verification from court
  - F. Religious commitments
  - G. College/Military visitation – One (1) student/parent arranged visit per year **WITH PRIOR PERMISSION FROM A SUPERVISOR**
  - H. Set of circumstances judged as sufficient cause by school authorities
7. Any student compiling three (3) unexcused absences or 18 unexcused hours in a nine week grading period may be subject to a disciplinary action. Additional unexcused absences or hours may result in further disciplinary action
8. **After five (5) consecutive days of medical absence, students or a parent/guardian must make a request for home instruction.**
9. Students who accumulate more than eight (8) absences, or 42 hours, excused and/or unexcused, (medical/doctor excuse, funeral, and in-school suspension not included) from any one class during a single nine weeks grading period may receive a grade of "F" with a comment code designating excessive absences in that subject for that grading period. Exceptions may be made only when a lengthy illness is verified in writing by a doctor or where extenuating circumstances exist as determined by the Director or his/her designee.
10. After 30 consecutive hours or 42 or more hours absent in a month, a conference may be held and a letter sent home. The student's name may be sent to the Ohio Department of Education and/or the Ohio Bureau of Motor Vehicles. Students are allowed to make up school work for excused absences as well as unexcused absences. **However, the highest grade attainable for work completed for unexcused absences will be a 65%.**

**R. G. DRAGE STUDENTS ARE REQUIRED TO BE PRESENT WHENEVER THERE IS A CONFLICT WITH THEIR HOME SCHOOL CALENDAR. ALL STUDENTS NOT PRESENT MAY BE MARKED ABSENT UNEXCUSED.**  
**Examples: home school being closed for in-service training or being closed for a holiday break on different days from R. G. Drage CTC.**

### **TARDY and/or LATE ARRIVAL TO SCHOOL**

Students who are tardy/late to school must report to the Attendance Office for a pass before reporting to class. The violations below are based on a per semester basis.

1. Upon the 3<sup>rd</sup> violation, students may serve one (1) day of ISS.
2. Discipline for exceeding four (4) tardies/late arrivals may result in an increased number of days of ISS. Driving privileges for those that drive to school may be suspended or revoked.

### **TARDIES TO CLASS**

**Students are expected to be in class before the bell rings.** All teachers will have (as part of their classroom management plan), consequences for being late to class. Consequences could be, but not limited to, a reduction in daily grade, verbal warnings, parent conference, school detentions, or referral to school administration.

### **EARLY DISMISSALS**

No student will be excused from school before the end of the school day without first obtaining an early dismissal permit. Early dismissal permits can be obtained through the attendance office by presenting a written excuse from a parent, doctor, dentist or court verifying reason for dismissal, stating date, reason and time, and will be verified with a phone call. Early dismissals will be issued through first period. Thereafter, early dismissals will be issued for emergency reasons ONLY. Students are to have an early dismissal permit signed by their instructor, and students MUST sign out in the Attendance Office before leaving the building. Senior students may be excused for school related job interviews that are coordinated through the Job Developer's Office.

### **HUNTING POLICY**

**SINCE THE FIRST DAY OF HUNTING SEASON FALLS ON A NON-SCHOOL DAY, THERE WILL BE NO EXCUSED ABSENCES FOR HUNTING.**

### **COLLEGE/MILITARY VISITATION POLICY**

Any student planning to attend college or enlist in the military is permitted one (1) parent/student arranged day for visitation and/or testing. This will be filed as an excused absence if the following procedure is followed:

1. Initiate both military and college visitation permits through the attendance office by submitting a written request, prior to the scheduled visit, from a parent/guardian stating date and time of visitation.
2. Present the attendance office approved permit to the attendance office at least one (1) day prior to the visitation.
3. Obtain a verification of visitation statement on military or college letterhead to be given to the attendance office upon return to school.

### **UNIQUE SCHEDULE STUDENTS**

Students on unique schedules must sign in and out at the appropriate time in the Attendance Office. Failure to do so could result in disciplinary action.

### **VACATION POLICY**

When a family vacation must be scheduled during the school year, the parents should discuss the matter at least five (5) days in advance with a supervisor to make necessary arrangements and get a vacation form. It may be possible for the student to receive certain assignments that can/are to be completed during the trip. This request should be in writing prior to leaving and given to a Supervisor. Even though the vacation absence is verified and excused, lab participation grades for vacation absences, as well as any other absence, will be a zero (0). Vacations that are not with a custodial parent may be counted as an unexcused absence.

## SEARCH AND SEIZURE

To assist in maintaining order and discipline in the school, and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers or student automobiles and may seize any illegal, unauthorized, or contraband materials discovered in the search. As used in this policy, the term "unauthorized" means any item dangerous to the health or safety of students or school personnel, or disruptive of any lawful function, mission or process of the school, or any item described as unauthorized in school rules available beforehand to the student. A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action. A student's person and/or personal effects (e.g. purse, book bag, vehicle, etc.) may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials.

## SURVEILLANCE CAMERAS

For students' safety and welfare, video surveillance cameras are placed throughout the building and school grounds. Actions recorded on these cameras may be used as evidence in disciplinary actions. Any attempt to damage or interfere with the function of these devices may result in disciplinary action by the school and possible referral to local law enforcement agencies.

## DRESS AND APPROPRIATE GROOMING

Student dress and grooming should be such that it does not detract from the educational process or have a detrimental effect on the governance and discipline of the school; therefore, students are expected to meet reasonable standards in their dress and grooming. The following guidelines need to be adhered to:

Additional restrictions to dress code may apply relative to either program or employment placement.**

### **STUDENT BEHAVIOR**

Students are expected to behave like young adults at all times. It is the duty of the teacher to maintain and enforce reasonable standards within his/her classes and throughout the building at all times. Student reasonable standards are determined by the following:

1. All students are expected to follow teacher classroom management plans as explained by each individual instructor.
2. Students are to know and follow all policies described in this policy handbook.
3. All school property including, but not limited to, halls, locker rooms, cafeteria, parking lots, and/or during any sponsored activities, are to be considered extensions of the classroom as pertaining to acceptable behavior.
4. Any behavior disrupting the educational opportunities of others will not be tolerated.
- 5.

### **STUDENT CONDUCT - ZERO TOLERANCE**

1. Students are expected to conduct themselves in such a way that they respect and consider the rights of others. The Board of Education has "zero tolerance" of violence, disruptive or inappropriate behavior by its students.
2. Students and parents/guardians annually receive, at the beginning of the school year or upon entering during the year, information on rules and regulations to which they are subject to while in school or participating in any school-related activity or event. The information includes some, but not all, types of conduct which are subject to suspension or expulsion from school or other forms of disciplinary action. The Board of Education directs the administration to make all students aware of the Student Code of Conduct and the fact that any violation of the Student Code of Conduct is punishable. If a student violates the Student Code of Conduct, school personnel, students or parents should report the student to the appropriate administrator. The administration cooperates in any prosecution pursuant to the criminal laws of the state of Ohio and local ordinances.

### **EIGHTEEN YEAR OLDS**

**All rules, regulations and policies of R. G. Drage CTC Career Technical Center apply to students 18 years of age (and older) in the same manner as they do to all other students.**

### **EXPLANATION OF DISCIPLINE MEASURES**

**BOARD MAY RECOVER FROM PARENTS OF JUVENILES FOR  
DAMAGES TO SCHOOL PROPERTY**

O.R.C. Sec. 3109.09 - Any owner of property may maintain as a civil action in a court of competent jurisdiction to recover compensatory damages not exceeding three thousand dollars and costs of suit from parents having custody and control of a minor under the age of eighteen (18) years, who willfully damages property belonging to such owner or who commits acts cognizable as a "theft offense", as defined in Section 2913.01 of the Revised Code, involving the property of such owner. Such an action may be joined with an action under Chapter 2737 of the Revised Code against the minor or the minor and his/her parent(s)/guardian(s) to recover the property regardless of value but any additional damages recovered from the parent(s)/guardian(s) shall be limited to compensatory damages not exceeding ten thousand dollars as authorized by this section. A finding of willful destruction of property or committing acts cognizable as a theft offense is not dependent upon prior finding of delinquency of such minor, or upon his/her conviction of any criminal offense. For the purpose of this section, a minor is not within the custody and control of his/her parents if the minor is married. Such actions shall be commenced and heard as other civil actions.

**PROCEDURAL STANDARDS FOR THE SUSPENSION AND EXPULSION OF STUDENTS FROM  
R.G. DRAGE CAREER TECHNICAL CENTER**

Each student has the right to attend school in an environment that is safe, free of disruptive influence, conducive to learning and which provides ample opportunity to acquire knowledge and skills appropriate with his or her maturity, interests and abilities. School personnel have the responsibility to develop and maintain an atmosphere that is compatible with this right.

Rules and regulations are necessary for the development and maintenance of an orderly and safe environment. Consequently, certain behaviors are recognized as being inappropriate and unacceptable. Such behaviors, and their consequences, must be communicated to students and their parent(s)/guardian(s). When dealing with student misconduct, the school staff must be fair, consistent and just. Furthermore, judgments must be based on sound evidence, and the individual rights of students must be taken into consideration. Students are to be given the opportunity to explain their behavior. In cases involving suspension or an expulsion, due process shall be granted every student as prescribed by Statutory Law. When an expulsion is issued, an appeal period begins on the day following the expulsion and concludes 14 calendar days later. Emphasis must be placed on attempting to stimulate appropriate behavior and to help the student understand that certain behaviors are unacceptable and cannot be tolerated within the school environment. We feel that a sound discipline policy is necessary for the training which develops self-control, character, orderliness and efficiency.

**PERMANENT EXCLUSION**

As authorized by law, the Board of Education may permanently exclude any student who has been found guilty of committing, when sixteen (16) years of age or older, any of the following offenses while on school grounds and which are considered to be crimes when committed by an adult:

- a. Possession or involvement with a deadly weapon
- b. Trafficking in drugs
- c. All other felonious crimes as determined by legal authorities
- d. Complicity, regardless of where the complicity occurs, of any of the above crimes.

The school staff is not limited to the above mentioned items. In other areas of misconduct members of the school staff are granted all powers that are necessary and proper to establish and maintain order. In regard to Board Policy on Student Conduct, the R.G. Drage Career Technical Center school administration has the authority to establish a more specific code, listing specific punishment, specific duration, and specific offenses that will result in suspension or expulsion. The R.G. Drage Career Technical Center administration has wide discretionary authority in matters of suspension and expulsion within the framework of this policy and O.R.C. 3313.66 and 3313.661

**Habitual offenders of school regulations may be brought to the attention of the superintendent with the possibility of an expulsion from school.**

**BURDEN OF PROOF**

The board and the school wishes to clarify the question of **Burden of Proof** concerning school conduct. This board and school has taken the position over the years, as do most school boards and schools, that we are the parent-away-from-home. As such, when there is sufficient reason to believe that an infraction has occurred, the student must now introduce counterbalancing evidence to the contrary. Such counterbalancing evidence, if introduced, will be considered during the discipline hearing and ensuing decision process. Schools are not courts of law where every single element of a crime must be proven beyond a shadow of a doubt. Our responsibility as a board and school is to provide an environment where education can take place and we need certain parental powers to do so.

**HARASSMENT, INTIMIDATION (HAZING), BULLYING**

**A. HARASSMENT**

It is a violation of the law and of school rules for any student to use severe, persistent, or pervasive language and/or actions to harass or intimidate another student or staff member. If a student is a victim of unwanted sexual actions or comments, or actions or comments concerning his/her gender, religion, race, ethnic group, or disability, the student should report such behavior to the school administration. All reports shall be kept confidential and shall be investigated as soon as possible.

**B. HAZING**

**C. HARASSMENT, BULLYING, INTIMIDATION**

The Board of Education will not tolerate any known harassment, intimidation or bullying, including cyberbullying, of any student on school property or at a school-sponsored activity.

Harassment, intimidation or bullying, including cyberbullying, is defined as an intentional, written, verbal or physical act that a student, staff or third party exhibited toward another particular student more than once and the behavior both (1) causes mental or physical harm to the other student and (2) is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student, is strictly prohibited and will not be tolerated. This prohibition includes violence within a dating relationship.

Any student who believes he/she has been a victim of harassment, intimidation, or bullying, including cyberbullying, as defined above should report the incident(s) to the building principal or teacher. If a report is made to a teacher, the teacher shall promptly notify the building principal. A report may also be made by a teacher, parent or student. The parent(s)/guardian(s) of the student involved shall be notified by the building principal or his/her designee. If the student is less than eighteen (18) years of age, the parent(s)/guardian may have access to any written reports pertaining to the prohibited incident. If the student is over the age of eighteen (18), the student may grant permission for the records to be shared with the parent(s)/guardian. The building principal/designee shall promptly document, investigate, and respond to a reported incident. If the principal/designee finds that harassment, intimidation and/or bullying as defined in this policy has occurred, s/he shall include in the report a strategy for protecting the victim from additional harassment, intimidation and/or bullying and from retaliation following the report. He/she shall report his/her findings to the Superintendent/designee.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as aggressive behavior. Retaliation may result in disciplinary action as indicated above. Deliberately making false reports about harassment, intimidation, bullying, and/or other aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports may result in disciplinary action as indicated above. The Superintendent shall provide semiannual written summaries of all reported incidents to the President of the Board of Education and post them on the District's web site (if it has a web site). The summaries shall not contain identifiable student information and shall comply with Federal and State student privacy laws including O.R.C. 3319.321 and the Family Educational Rights and Privacy Act of 1974, 88 Stat. 571.20 U.S.C. 1232g as amended.

Harassment, intimidation or bullying as defined herein shall be added to the Student Code of Conduct as a prohibited offense with appropriate disciplinary consequences. However, nothing contained in this policy or in the disciplinary code shall infringe on a student's rights under the First Amendment to the U.S. Constitution, which includes freedom of speech and the free exercise of religion. This policy shall be included in student handbooks and employee training manuals.

Students in grades nine (9) through twelve (12) shall receive age-appropriate instruction in dating violence prevention education, including instruction in recognizing dating violence warning signs and characteristics of health relationships. Parents, who submit a written request to the building director to examine the dating violation prevention instruction materials used in the school, will be afforded an opportunity to review the materials within a reasonable period of time.
