For safety reasons, the RG Drage Career Technical Center DOES NOT recommend students riding, driving, or transporting other students to and from school in private vehicles. Bus transportation is provided daily to and from the Career Center, and we strongly encourage its use. If it is necessary for students to use private means of transportation to and from RG Drage Career Technical Center, it is understood that the students and/or their parent/guardian assume the responsibility of any consequences/damages from this means of transportation.

The driver of the private vehicle driven to school assumes the responsibility of maintaining good attendance, arriving on time and adhering to the Rules and Regulations established for this privilege. **Habitual violators of these Rules and Regulations may have their driving privileges suspended.**

This Parking Permit entitles you to park at RG Drage Career Technical Center in your assigned spot. This Permit MUST be hung from your rearview mirror (printed side out), visible on dash or windshield, and if driving a motorcycle, on your person while the vehicle is on school grounds.

If your permit is lost or stolen, immediately report to the ATTENDANCE Office. If the lost or stolen permit is found in another student's car, both students may be subject to losing his/her driving privileges.
