

The  
University  
of Akron

**Looking for college credit options?**

**RG DRAGE**

***HAS THEM!***

---

University of Akron—Students entering their junior year have the opportunity to apply to the Zip to a Degree program housed at RG Drage. This program allows students to earn an Associates Degree with their program certifications.

---

College Credit Plus—Just looking for a college class or two? RG Drage, like your homeschool, offers students access to college course through Stark State College.

---

Your Program offers college credits—most programs at RG Drage offer what is referred to as Articulated College Credit. That means that successfully completing your career tech program here at RG Drage can give you access to college courses.
